- ii) In the event the age so admitted (the "correct age") is found to be different from the age declared in the Proposal, without prejudice to the Company's other rights and remedies including those under the Insurance Act, 1938, one of the following actions shall be taken:

- e) The death of the Life Assured shall occur before the expiry of the period for which premiums are payable or before the policy anniversary on which his age nearer birthday is 65, whichever is earlier;

However, if the period of 180 days from the occurrence of the accident is current on the policy anniversary on which the Life Assured attains age 65 nearer birthday, the accident benefit shall be payable on death during that period.

The Policy must be in force on the date of accident as well as on the date of death.
